

BOSTON POLICE
PATROLMEN'S ASSOCIATION

IT'S TIME TO STAND UP FOR BOSTON'S FINEST.

And, nobody knows that better than the hard-working men and women of the
Boston Police Patrolmen's Association.

In 2015, President Barack Obama recognized the Boston Police Department as
one of the premier community policing departments in the nation.

OUR OFFICERS ARE SOME OF THE BEST IN THE WORLD.

Now, because of the actions of individuals thousands of miles away,
police officers everywhere are being painted with the same brush.

Given these turbulent times, the last thing Massachusetts needs is hasty overreaction.

In an effort to appease various groups, some elected officials are trying
to rush a police bill that would harm, not reform, policing.

We urge the legislature to resist calls for drastic changes to law
enforcement at the expense of good efficient changes.

Be thoughtful and craft appropriate legislation to enhance policing in Massachusetts.

Please help protect the people who protect and serve you.
Don't make their job tougher or more dangerous.

CALL YOUR LOCAL SENATOR AND REP TODAY.

Tell them you support your police. **Ask them to take their time and get it right!**
